

# EU Rural Development Monitoring Data

## Programmes Co-financed by the EAGGF-Guarantee Section

Year : 2003

Source: European Commission, Directorate-General for agriculture, rural development monitoring data system CAP-IDIM

### Coding conventions

Not applicable	NP
Applicable, but not implemented (yet)	NI
Figure is not available	NA

### Remarks

Expenditure data concern commitments made rather than actual payments. The appropriate annual share of expenditure committed is shown for each project approved or ongoing in 2003.

The data concern the present programming period 2000-2006 (i.e. agreements under Council regulation (EC) N° 1257/1999)

Table 2

**Table 2: Overview of rural development measures implemented by Member States in 2003 (EAGGF-Guarantee financing only). For those Member States with regionalised programming, the information is consolidated from all programmes in that Member State.**
