AGRI-FOOD TRADE STATISTICAL FACTSHEET

European Union - Hong Kong

Notes to the reader:
The data used in this factsheet were provided by ISDB and extracted from the COMEXT-EUROSTAT database unless otherwise indicated, in statistical regime IV.

“EU” refers to the European Union at 28 members for all indicated years.

“Agri-food products” refers to the WTO definition of agricultural products and includes the chapters 1-24 (excluding fish and fish products) of the Harmonised System, and a number of headings in chapters 33, 35, 38, 41, 43 and 51-53. The aggregate of EU Agri-food trade does not contain tariff codes CN 3302.10.40 and CN 3302.10.90 (some odoriferous substances which are regarded as industrial products).

More trade statistics including main economic indicators, GDP by sector, trade in goods and trade in commercial services are provided by the EU Commission Directorate-General for Trade on their website: http://ec.europa.eu/trade/policy/countries-and-regions/statistics/

Extraction date: 15-03-2019
