Subject: Annual (2021) Post-Market Environmental Monitoring (PMEM) report for the import and processing of genetically modified maize MZHG0JG in accordance with Articles 9(1) and 21(1) of Regulation (EC) No 1829/2003.

Dear [REDACTED],

In compliance with the Commission (Implementing) Decision authorizing the placing on the market of products containing, consisting of, or produced from

- genetically modified maize MZHG0JG

pursuant to Regulation (EC) No 1829/2003 of the European Parliament and of the Council, where it is requested that the authorization holder shall submit to the Commission annual reports on the implementation and the results of the activities set out in the monitoring plan, we hereby confirm that no products containing, consisting of, or produced from genetically modified maize MZHG0JG have been placed on the market prior to or during the reporting period corresponding to the July 2020 - June 2021 and since the authorization date. Therefore, no further information related to the PMEM annual report is provided.

Yours sincerely,

[REDACTED]
