

FRENCH PRESIDENCY OF THE COUNCIL OF THE EUROPEAN UNION

January 1st 2022 – June 30th 2022

ACTIONS ON ANTIMICROBIAL RESISTANCE

HIGH-LEVEL ONE HEALTH MINISTERIAL CONFERENCE ON ANTIMICROBIAL RESISTANCE

Paris

Monday 07 March 2022

A welcome dinner will be open to all participants on Sunday 06 March

Objective:

Identify & discuss the **unmet needs** and priority topics that should be addressed at EU level, feeding into the Commission's policy initiatives, and fueling the Commission's work on HERA and EU-funded programmes (e.g. EU4Health).

The French Presidency will be pleased to welcome:

- The Ministers of Health & Agriculture of the 27 Member States (videoconference, in the afternoon)
- The Chief Medical Officers (CMOs) and Chief Veterinary Officers (CVOs) of the 27 Member States (in Paris)
- The Antimicrobial Resistance Leads of the Ministries of Health and Agriculture of the 27 Member States (in Paris)
- Representatives of the European Commission, European agencies and international organisations (in Paris)

Please indicate a contact point for your delegation before **Friday 28 February**.
