

## 6.1 EU4Health

Ander Elustondo Jauregui, SANTE.C1  
Carole Rouaud, SANTE.C1

# EU4Health and EHDS

*Empower individuals to access and control their personal health data*

DI-g-22-22.06 (Joint action) and DI-g-22-21.01 (direct grants for MyHealth@EU) focus on these

*Unleash the data economy by fostering a genuine single market for digital health services and products (EHR systems and wellness applications)*

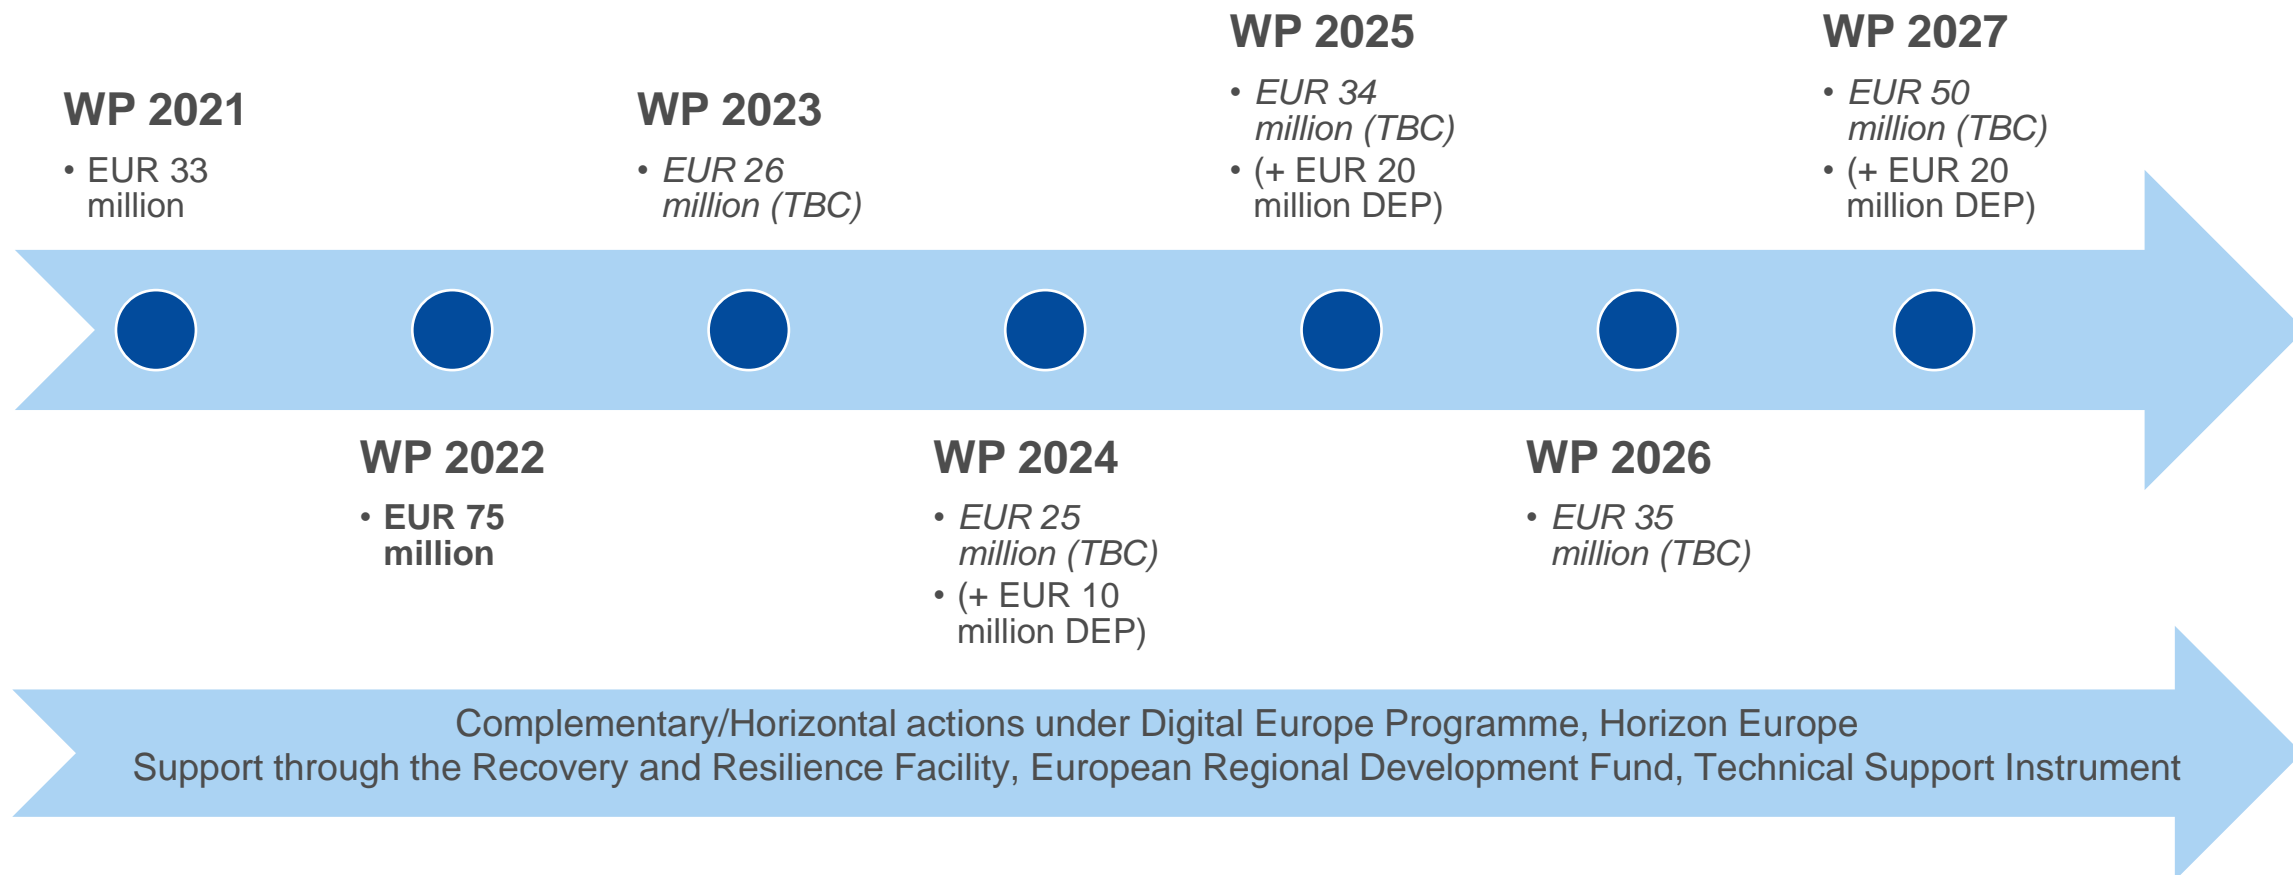

*Ensure a consistent framework for the use of individuals' health data for research, innovation, policy-making and regulatory activities*

# EU4Health and EHDS

\*Amounts for 2023-2027 based on the legislative financial statement accompanying the proposal. Subject to changes.

# EU4Health and EHDS

## WP 2021 Digital heading approx. EUR 33 million

- Grants for an infrastructure pilot on secondary uses of health data (HealthData@EU) (**EUR 5 million**)
- Grants for a pilot on patients' access to health data (**EUR 2 million**)
- Grants to support for semantic interoperability (**EUR 7.2 million**)
- Grants for the expansion of services of MyHealth@EU (**EUR 11 million**)
- Core services MyHealth@EU and HealthData@EU pilot, capacity building (**EUR 8 million**)

## WP 2022 Digital heading approx. EUR 75 million

- Grants for new services of MyHealth@EU (**EUR 30 million**)
- Grants for the development/establishment of Health Data Access Bodies (**EUR 30 million**)
- Joint Action on primary uses of health data in the EHDS (**EUR 4 million**)
- Core services MyHealth@EU/HealthData@EU (**EUR 10 million**)

## DI-g-22-21.01: Expansion of MyHealth@EU (eHDSI) with new services and to more Member States

- ***Total budget:*** EUR 30 million
- ***Objectives:*** To allow patients from more Member States to make full use of MyHealth@EU services and to progress towards a wider range of services offered
- ***Duration:*** recommended 36 months (maximum 48 months)
  - Each Competent Authority submits a proposal

## DI-g-22-21.01: Expansion of MyHealth@EU (eHDSI) with new services and to more Member States

- ***Activities to be funded:***

1. Setup of NCPeHs;
2. Deployment of ePrescription and Patient Summary services;
3. Deployment of new services (original clinical documents, laboratory results and reports, medical images and reports, hospital discharge reports, patients' access to their translated health data);
4. Maintenance of NCPeHs with operational services in MyHealth@EU.

## DI-g-22-21.01: Expansion of MyHealth@EU (eHDSI) with new services and to more Member States

### Structure of a project proposal

**Administrative  
Part A,  
Includ. Overview  
Budget**

**Technical  
narrative  
Part B,  
Includ. Detailed  
Budget**

**Audit report**

## DI-g-22-21.01: Expansion of MyHealth@EU (eHDSI) with new services and to more Member States

- DG SANTE and HaDEA are ready to support Member States in the application process*

## DI-g-22-22.06: Joint Action on preparatory actions for a European Health Data Space - primary use of data

- **Budget:** EUR 4 million
- **Objectives:** To enhance cooperation among Member States regarding primary uses of health data and conduct preparatory work for the implementation of the European Health Data Space (EHDS)
- **Duration:** Between 12-36 months (recommended 36 months)

## DI-g-22-22.06: Joint Action on preparatory actions for a European Health Data Space - primary use of data

- *Activities to be funded:*

Preparation of technical specifications and/or guidelines in relation to:

- a. Interoperability of **medical images, laboratory results and discharge letters** towards the European electronic health record exchange format (EEHRxF);
- b. Evaluation of interoperability of **EHRs, personal health data spaces and other software** in health and of quality of **mobile wellness applications**;
- c. Interoperability of **telehealth**, mobile health and other health software / Cross-border telehealth, including telemonitoring;
- d. Use of **electronic identification** in health, for health professionals and patients.

## DI-g-22-22.06: Joint Action on preparatory actions for a European Health Data Space - primary use of data

- ***Coordinator: Cyprus***
  - ***State of play (as of end October):***
    - The Cypriot team is working to structure the work and to identify the work package leads
    - **Interested Member States are invited to contact the Coordinator to discuss their involvement**
- *The Coordinator submits the proposal*
