

24TH EHEALTH NETWORK MEETING – 01-02 JUNE 2023, STOCKHOLM

COVER NOTE

6.3 Non-paper on funding under eHealth Network Work Plan 2023 (for discussion) - eHealth Network Workplan 2023 – Priority #1

1. Issue at stake

The eHealth Network has adopted yearly workplan for the first time during last eHealth Network online on March 30, 2023. This workplan 2023 needs to be worked out by the eHealth Network in order to meet its objectives and ensure priorities receive the right action plan.

The eHealth network has set **5 key priorities for 2023, with clear deliverables, planning and responsibilities for existing subgroups and volunteering Member States, along with the European Commission.**

5 key priorities eHealth Network 2023

- 1- Identify the needs for European funding for eHealth infrastructure for primary and secondary use of health data**
- 2- Achieve further technical common choices and formalize our process**
- 3- Implement European ethical principles for digital health**
- 4- Assess digital health deployment progress and best practices in EU Member States**
- 5- Cooperate more effectively, in preparation for the future EHDS board**

2. Summary

The first priority of the eHealth Network workplan 2023 is “*Identify the needs for European funding for eHealth infrastructure for primary and secondary use of health data*”. The workplan includes a proposal for eHealth network representatives to work on a non paper that is put up for discussion.

For eHealth Network discussion of the initial draft of the non paper related to eHealth Network Workplan priority #1 on funding.
