

24TH EHEALTH NETWORK MEETING 1-2 JUNE 2023, STOCKHOLM, SWEDEN

COVER NOTE

13.1 EU DCC

1) Introduction

The EU Digital COVID Certificate Regulation will expire on 30 June 2023. The WHO declared on 5 May that COVID-19 was now an established and ongoing health issue, which no longer constitutes a “public health emergency of international concern”.

At the same time, the WHO intends to implement a global health initiative to establish a Global Digital Health Certification Network (hereinafter, the ‘GDHCN’), taking up the EU DCC framework.

2) Issue at stake

Several Member States are participating in the piloting of the GDHCN.

3) Summary

The eHealth Network will be presented with an overview of the current state of play of the pilots.

4) Format of procedure in the meeting
