

**25TH EHEALTH NETWORK MEETING 28 NOVEMBER 2023,
BRUSSELS
COVER NOTE**

13.2 TEHDAS Update (*for information*)

1) Introduction

EU4H-2023-JA-IBA-10 - (DI-g-23-79) Direct grants to Member States' authorities: preparatory activities for the reuse of data in the proposed European Health Data Space. The objective of this joint action is to prepare the ground for the implementation of common measures enabling the secondary use of health data according to the regulation proposal for a European Health Data Space. The joint action will build on the work of national and EU initiatives and projects, such as TEHDaS joint action and the HealthData@EU (EHDS2) pilot project.

2) Issue at stake

This joint action will prepare recommendations and technical specifications in order to support the legislative developments following the regulation proposal for a European health data space in the field of secondary use of health data.

3) Summary

Following the deadline for nominating competent authorities for the 3rd wave of JAs under the EU4Health 2023 Work Programme on 15 September 2023, HADEA, together with DG SANTE, organised a preparatory workshop on 12/10/2023.

Representatives of the 29 states that have designated a competent authority (including Ukraine) took part in this workshop and unanimously appointed SITRA (The Finnish Innovation Fund) and its representative, Markus KALLIOLA, as coordinator to prepare the response to this call for proposals.

The letter of invitation to submit a proposal before 31/01/2024 was sent to SITRA on 16/10/2023.

The competent authorities are now preparing the proposal together with SITRA.

4) Format of procedure in the meeting

This agenda point is for information. If you have specific questions, please flag them so they can be addressed under AOB.
