

**25<sup>TH</sup> eHEALTH NETWORK MEETING 28 NOVEMBER 2023, BRUSSELS**

**ANNOTATED AGENDA&COVER NOTE**

**4.1 MyHealth@EU Work Plan 2024 (*for adoption*)**

**Cover note/background** (*purpose: to be published*)

1) Introduction

The MyHealth@EU Work Plan 2024 has been reviewed by eHMSEG on October 9 2022, based on the feedback from Member States and discussions in eHOMB additional changes were made.

2) Issue at stake

The Work Plan describes the key actions the Commission (both policy DGs (SANTE, CNECT), the Solution Provider and DIGIT) will address in 2024 in relation to the core service implementation and support to the National Contact Points for eHealth. It details the management and governance, requirements and specifications, configuration services, terminology services, reference implementation, test and compliance check services, communication and collaboration, operations management, support to NCPeHs and hosting.

3) Summary

The MyHealth@EU Work Plan 2024 describes the key actions the Commission will address in 2024 in relation to the core service implementation and support to NCPeHs.

4) Format of procedure in the meeting

This agenda point is for adoption.
