19TH eHEALTH NETWORK 3 JUNE 2021, BRUSSELS, BELGIUM

COVER NOTE

9.2 Slovenian's Presidency – Presentation of Presidency priorities

1. Issue at stake

Short presentation of Slovenian's Presidency priorities

2. Summary

Slovenian's Presidency priorities will be presented by the Slovenian eHealth Network member – Ms. Katarina Kralj, Head of Digitalisation Sector, Directorate for Health Systems Development, Ministry of Health, Slovenia.

The priorities of Slovenian presidency are divided into four pillars:

- (1) Resilient European Union that enjoys the trust of its citizens
- (2) Economic renewal of the European Union based on a digital and green transition
- (3) Union based on the rule of law and a European way of life
- (4) Secure European Union, a good and reliable partner in the neighbourhood and in the world

3. Format of procedure in the meeting

For information.
