

20TH EHEALTH NETWORK 8 NOVEMBER 2021, BRUSSELS, BELGIUM

COVER NOTE

4.4 Timeline for the eHN Patient Summary Guidelines release 3 implementation in the eHDSI

1. Issue at stake

To eHMSEG Chair will present the eHMSEG position about the effort which need to be taken on both MS and Solution Provider and eHMSEG side to implement the new release of the Patient Summary Guidelines.

2. Summary

The eHealth Network has adopted on 3 June 2021 the new Patient Summary Guidelines Release 3. The new Guidelines introduce several changes to the Patient Summary, including the integration of new sections.

The eHDSI Patient Summary Cluster has submitted the Change Proposal to start the Assessment process by the different Stakeholders involved. Besides that, a documentation about the detailed changes and extensions has been started, to support decision taking and knowledge sharing.

3. Format of procedure in the meeting

For discussion
