

20TH EHEALTH NETWORK 8 NOVEMBER 2021, BRUSSELS, BELGIUM

COVER NOTE

3.1 Call for grants EU4Health Programme

1. Issue at stake

To encourage Member States to apply for the grants to enlarge the eHDSI scope and coverage, to increase health data semantic interoperability and build national capacity on health terminologies, and to enabling patient access to their health data.

Many Member States have shown their interested in the calls by nominating the organisation, which will apply for the funds. Applications have to be submitted by 25th January 2022.

2. Summary

In October 2021, the European Health and Digital Executive Agency have launched 3 new calls for direct grants from the EU4Health Programme which are in the vested interests of MyHealth@EU stakeholders.

1. EU4H-2021-DGA-MS-IBA-01: Direct grants to Member States' authorities: enlargement of the geographic coverage and scope of the MyHealth@EU Digital Service Infrastructure (eHDSI) (AWP Ref: DI-g-25.3.1) - Budget: 11 000 000 EUR
2. EU4H-2021-DGA-MS-IBA-02: Direct grants to Member States' authorities: enabling patient access to their health data (AWP Ref: DI-g-25.4.1) - Budget: 2 000 000 EUR
3. EU4H-2021-DGA-MS-IBA-03: Direct grants to Member States' authorities: increase health data semantic interoperability and build national capacity on health terminologies (AWP Ref: DI-g-25.5.1) - Budget: 7 200 000 EUR

3. Format of procedure in the meeting
