20TH eHEALTH NETWORK 8 NOVEMBER 2021, BRUSSELS, BELGIUM

COVER NOTE

8. eHealth Stakeholder Group

1. Issue at stake

eHSG has put forward concrete solutions and actions that could bring forward digital health. These were shared at a webinar on September 10. The Commission is very grateful for these contributions.

2. Summary

The eHSG has been discussing the EHDS and put forward their feedback. Answering five questions, the eHSG have formed 5 working groups. The five working groups have addressed the question on which concrete solutions the stakeholders identify and actions that could be taken, to (1) promote access to health data and interoperability, (2) the re-use of health data for research and policy-making, (3) the promotion of digital health services and products, (4) the uptake of AI for health and (5) the sharing of data between public and private partners. A special thanks to the stakeholders who led the working groups: EFN, HOPE, ECL, I-HD, Medtech, COCIR and EUCOPE.

3. Format of procedure in the meeting

This agenda point is for information, no action needed from the eHN members.
