eHealth Network General Guidelines revision

Topic at stake:

- a) The eHealth Network General guidelines (latest release Nov 2016) **purpose and role has always remained unclear** as well as its relevance and **impact have been limited**.
- b) To bring a renewed purpose and actual relevance to such guidelines, the **eHealth Network (June 2021)** mandated the sub-group on Semantics to **explore the potential and review the general guidelines**.
- c) Final draft for eHealth Network approval, ***Spring or Fall 2022***

eHealth Network General Guidelines revision

Ongoing reflections requiring eHealth Network guidance:

a) The proposed audience for the new eHealth Network general guidelines should be:

- **Member States and implementation initiatives/projects;**
- **eHealth Network subgroups working on the preparation of new eHealth Network guidelines.**

eHealth Network General Guidelines revision

Ongoing reflections requiring eHealth Network guidance:

b) The new general guidelines should focus on 4 pillars (different chapters in the guidelines document):

- 1. General provisions applicable to all eHealth Network type of guidelines**
- 2. Procedure for eHealth Network guidelines**
- 3. Specific template for DATASET guidelines**
- 4. Interoperability Assets Catalogue**
