Topics under discussion/preparation

- *Security incident handling and governance*
- *Support for the revocation of certificates*
- *Handling expiration of vaccination certificates*
- *Publication of public keys at the Gateway*
- *Sustainability: further onboarding of third countries and governance model*
- *Interoperability with ICAO VDS-NC (or other standards)*

Next steps

- The EU Digital COVID Certificate Regulation currently applies until 30 June 2022.
- By 31 March 2022, the Commission will submit another report to the European Parliament and to the Council on the application of the Regulation
 - may be accompanied by a legislative proposal to extend the period of application of the Regulation
 - proposal could also come at earlier stage, to ensure legislative procedure can be concluded sufficiently in time
 - necessary to prevent disruptions to freedom of movement
