

Declaration of membership

The European Haemophilia Consortium (EHC) works closely with key European and international partners, including other patients' groups and medical associations.

Since its inception, the EHC has maintained formal links with the [World Federation of Hemophilia](#) (WFH). The WFH is an international organisation representing people with rare bleeding disorders from 101 countries, including Europe. The WFH recognises the EHC as a separate organisation and observer to its General Assembly. The two organisations signed a [Memorandum of Understanding](#) (MOU) in 2004 to enhance their collaboration in European countries. This MoU was [revised](#) in 2016 and then in [2021](#). To maintain open communications, the WFH President is an ex-officio member of the EHC Steering Committee. In turn, the EHC President is an ex-officio member of the WFH Executive Board.

The EHC works closely with the [European Association for Haemophilia and Allied Disorders](#) (EAHAD). EAHAD is a multi-disciplinary association of health care professionals who provide care for individuals with haemophilia and other bleeding disorders. Both organisations signed an [MOU](#) in 2013.

The EHC is a member organisation of the [European Organisation for Rare Diseases](#) (EURORDIS), the Platform of Plasma Protein Users (PLUS) and the [European Patients Forum](#) (EPF).
