

To the European Commission
February 13th, 2023

EUPHA collaborates with a wide range of partners, including in informal partnerships such as the EU4Health Civil Society Alliance. Also, EUPHA holds observer status in the general assembly of the World Federation of Public Health Associations. Please see our latest [annual activity report](#) for a full overview of current/recent collaborations. EUPHA however is not a formal (paying) member of any other association or organization.
