

Declaration of membership in other organisations/networks:

MedTech Europe is a stakeholder with the Medical Devices Coordination Group (MDCG), which is chaired by the European Commission DG SANTE D3 and made up of representatives from each EU Competent Authority. MedTech Europe is invited as a stakeholder to around 10 MDCG working groups.

To interact with other groups in the formal context of IVDR/MDR:

- Notified Bodies – we are a stakeholder in the Notified Bodies Coordination Group (which is funded by European Commission)
- Expert panels, companion diagnostics, drug-device combinations – we are stakeholder with European Medicines Agency
