Current Board membership in EFORT (European federation of National Associations of Orthopaedics and Traumatology). EFORT is a European society (non-profit entity), which may be funded in part from restricted or unrestricted grants from medical device companies (not from one single company), with or without involvement of industry participants. As a board member or committee chair, we act on a pro-bono basis, given that EFORT is a tax-exempted non-profit entity, and we have no personal or financial interest in EFORT.  
I will not participate in any activities representing a financial interest regarding speaker's fees from medical device companies or fees related to participation at workshops/conferences

I confirm the information declared on this form is accurate and complete to the best of my knowledge and I acknowledge that my information will be stored electronically and published on the website of the European Commission.
