

## Public Declaration of Interests

### EUROPEAN COMMISSION EXPERT PANELS ON MEDICAL DEVICES AND IN VITRO DIAGNOSTIC MEDICAL DEVICES

I, **Wilhelm Kuker**

Organisation/Company: N/A

Country: United Kingdom

Declare on my honour that, to the best of my knowledge, the only direct or indirect interests I have in the medical device industry are those listed below:

#### 1 Employment

No interest declared

#### 2 Consultancy

No interest declared

#### 3 Strategic advisory role

No interest declared

#### 4 Financial interests

No interest declared

#### 5 Principal investigator

No interest declared

#### 6 Investigator

No interest declared

#### 7 Grant / Funding to organisation/institution

#### 9 Any other interests or facts

I continue to assess the safety and long term efficacy of using a braided stent (Leo baby) for the treatment of broad based

unruptured intracranial aneurysms.  
I do this as part of an continuing NHS audit of my interventional practice for which I do not receive external funding, especially not from the manufacturer or distributor of the device.  
Statistical analysis is supported by the Oxford University Centre for the Prevention of Stroke and Dementia. The research of this unit is otherwise not connected to medical devices or supported by device manufactures or distributors.  
My other research activities as Senior Research Fellow of the University of Oxford are related to stroke prevention and unrelated to the use of medical devices.

I have not been a member of an ethics committee since December 2018.

I confirm the information declared on this form is accurate and complete to the best of my knowledge and I acknowledge that my information will be stored electronically and published on the website of the European Commission.
