

## Curriculum Vitae

Personal information **Syria LAPERCHE**

Work experience

---

### MEDICAL POSITIONS

1986-89 - Resident (Interne des Hôpitaux) de Paris

1989-1993 - Medical Doctor, Rothschild hospital, Paris

Research Associate, Saint Antoine medical University, Paris VI.

1994-2000 - Deputy Head of the Unit of Virology, National reference center of Hepatitis B and C in blood transfusion, National Institute of Blood Transfusion (INTS), Paris

2000 -2017 - Head of department of blood-borne agents, Director of the National reference center of Hepatitis B and C and HIV in blood transfusion, National Institute of Blood Transfusion (INTS), Paris

2017-2021 – Head of department of blood-borne agents, Director of National reference center of infectious risks in blood transfusion National Institute of Blood Transfusion (INTS), Paris

2021- Co-head of the virology laboratory , Etablissement Français du Sang, Provence Alpes Côte d'Azur, Marseille, France Referent for infectious risks in blood transfusion at the medical direction of the National blood service, La Plaine Saint Denis, France

### PROFESSIONAL EXPERTISE AND ADVISORY BOARDS

1996-1999 -Member of the working group “Evaluation of molecular biology assays”, French Agency for Drugs (ADM)

1998 – Member of the working group “Implementation of nucleic acid testing in Blood donations and allografts”: National Health Authority (Direction Générale de la Santé).

1998 - Member of the working group “Surveillance of emerging infectious diseases”, French Agency for the Safety of Health Products (AFSSAPS).

1999 - Project leader- working group "Strategies for the biological diagnosis of HIV infection in subjects over 18 months of age, excluding blood donor screening and organ or tissue donors". National Agency for Health Accreditation and Evaluation (ANDEM)

1999-2000 - Member of the steering committee in charge of feasibility studies for the introduction of NAT in blood donations- National Blood Service (EFS)

2000-2001 - Member of the working group for the study of implementation of nucleic acid testing in Blood donations and allografts: French Agency for the Safety of Health Products (AFSSAPS).

2000-present - Expert in IVD Medical Devices -French notified body (G-Med)

2000-2019 - Expert- National quality control programs on viral diagnostics - French Agency for the Safety of Health Products (ADM- AFSSAPS- ANSM))

2008-2018 - Expert - National committee “Medical diagnosis devices”, French Agency for the Safety of Health Products (AFSSAPS)

2010-2012 - Member- Haemovigilance National committee French Agency for

the Safety of Health Products (AFSSAPS)  
2014 - Expert - French recommendations report on Hepatitis B and C care-  
High health authority (HAS)  
2014-2019 - Advisory board - implementation of transfusion safety measures in  
case of emergence of Arboviroses -National Agency for the Safety of Medicines  
and Health Products (ANSM)  
2015 - Expert- working group - “Guideline on Estimation of Residual Risk of  
HIV, HBV or HCV Infections via Cellular Blood Components and Plasma”,  
WHO  
2015-2021 - Expert - working group “infectious safety of blood products”  
(ANSM)  
2018 – 2021 - Member- advisory committee “criteria selection of blood donors”  
National Health Authority (Direction générale de la Santé, DGS)  
2019 -2021 - Member of working group on “Safety of Blood, Tissues and  
Organs’ (Secproch) -High council of public health (Haut Conseil de santé  
publique)  
2020- present - Expert- In vitro medical devices- EMA

### **OTHER PROFESSIONAL ACTIVITIES**

Membership in professional organizations  
1996 – present -  
Member- French Blood Transfusion Society. (SFTS)  
Working group for the study of blood-borne agents  
2003-2021 - Member- Steering committee “Epidemiological surveillance of  
blood donors” Public health Agency (Santé Publique France)  
2006 – present - Member-International Society of blood transfusion ( ISBT)  
2013- present - Coordinator - Group of research in transfusion in Francophone  
Africa  
2020 – present - Scientific board- African Francophone Blood Transfusion  
Network (RAFTS)  
2022- present - Member of Emerging infectious disease (EID) –Monitor group  
(EBA)

### **OTHER SERVICES**

Service to Professional Societies  
2012-2017 - Co-chair of the Virology subgroup, TTID-WP International  
Society of blood transfusion (ISBT)  
2013 – present - Member - Board of GEMHEP (groupe d’études moléculaires  
des hépatites)  
2014 -present - Advisory board -French Blood Transfusion Society (SFTS)  
Deputy president of French Blood Transfusion Society. (2019-2022)

### **TEACHING APPOINTMENTS**

1990 to present - Post graduate and graduate courses  
National Institute of Blood Transfusion, Paris.  
Etablissement Français du Sang  
University of Créteil, France  
Virology Master, Universities of Paris  
  
1996-1997-2018 - European School of Transfusion Medicine,  
1996-2018 - Training in Clinical research for Transfusion services in Africa  
Institut PASTEUR, Paris.  
2019-Training in Clinical research for Transfusion services in Africa

## Education and training

---

1989 - MD, Medical University– Bichat, Université Paris VII.  
1990 - MS in Blood Transfusion medicine : Université Pierre et Marie Curie, Paris VI.  
2007 - PhD, Université Pierre et Marie Curie, Paris VI.  
2013 - « Habilitation à diriger la recherche », Université Paris-Diderot-Paris VII

#### **OTHER EDUCATIONAL GRADUATIONS**

1989 - Certification in Blood Transfusion medicine, Medical University Saint Antoine, Université Pierre et Marie Curie, Paris VI.  
1992 - Certification in statistical methods – option Biology, CESAM, University Pierre et Marie Curie, Paris VI  
1993 - Certification in Medical Virology- Institut PASTEUR, Paris.  
1997 - Certification in statistical methods – option Epidemiology CESAM, University Pierre et Marie Curie, Paris VI

#### **Additional information**

---

Publications

Projects

#### **RESEARCH CAREER**

Focused on viral epidemiology, blood safety, emerging infectious disease and impact in transfusion medicine

Over 200 peer-reviewed publications

Memberships

Other Relevant Information

#### **AWARDS**

2007-Jean Reviron award, association for the research in Transfusion
