

Curriculum Vitae

Personal information **Franziska Saxer**

Work experience

Translational Medicine Expert, Musculoskeletal Disease, Discovery and Profiling

NIBR, Novartis [01/10/2020 – Current]

City: Basel

Country: Switzerland

Translational clinical study conduct

Staff Surgeon, prosthetics, research associate

Crosslinik AG [01/07/2019 – 30/09/2020]

City: Basel

Country: Switzerland

Outpatient clinics, inpatient care, orthopaedic and trauma surgery, surgical emergency care, clinical research

Senior consultant Orthopaedic and Trauma Surgery

University Hospital Basel, Dep. Orthoepic and Trauma Surgery [01/10/2017 – 30/06/2019]

City: Basel

Country: Switzerland

Outpatient clinics, inpatient care, orthopaedic and trauma surgery, surgical emergency care, clinical research

Head of clinical research

University Hospital Basel, Dep. Orthoepic and Trauma Surgery [01/06/2016 – 30/06/2019]

City: Basel

Country: Switzerland

Coordination of departmental academic research, leadership interdisciplinary research team

Consultant Orthopaedic and Trauma Surgery

University Hospital Basel, Dep. Orthoepic and Trauma Surgery [01/06/2014 – 30/09/2017]

City: Basel

Country: Switzerland

Outpatient clinics, inpatient care, orthopaedic and trauma surgery, surgical emergency care, clinical research

Consultant General and Trauma Surgery,

Hôpital du Jura, Delémont, Dep. General and Trauma Surgery [01/10/2013 – 31/05/2014]

City: Delémont

Country: Switzerland

Outpatient clinics, inpatient care, general and trauma surgery, surgical emergency care, clinical research

Assistant General and Trauma Surgery

Hôpital du Jura, Delémont, Dep. General and Trauma Surgery [01/01/2013 – 30/09/2013]

City: Delémont

Country: Switzerland

Outpatient clinics, inpatient care, general and trauma surgery, surgical emergency care, clinical research

Assistant Thoracic Surgery

University Hospital Basel, Dep. Thoracic Surgery [01/07/2012 – 31/12/2012]

City: Basel

Country: Switzerland

Outpatient clinics, inpatient care, thoracic surgery, surgical emergency care, clinical research

Assistant Surgical Intensive Care Unit

University Hospital Basel, Dep. Anesthesiology [01/01/2012 – 30/06/2012]

City: Basel

Country: Switzerland

Inpatient care surgical intensive care, clinical research

Assistant General and Visceral Surgery

University Hospital Basel, Dep. General and Visceral Surgery [01/01/2011 – 31/12/2011]

City: Basel

Country: Switzerland

Outpatient clinics, inpatient care, viscera and trauma surgery, surgical emergency care, clinical research.

Assistant Traumatology and Musculoskeletal Disorders

University Hospital Basel, Dep. Traumatology and Musculoskeletal Disorders [01/01/2010 – 31/12/2010]

City: Basel

Country: Switzerland

Outpatient clinics, inpatient care, orthopaedic and trauma surgery, surgical emergency care, clinical research

Research Fellow, Bone Tissue Engineering

University Hospital Basel, Institute for Surgical Research and Hospital Management [01/01/2009 – 31/12/2009]

City: Basel

Country: Switzerland

Basic and translational research tissue engineering

Assistant Traumatology and Musculoskeletal Disorders

University Hospital Basel, Dep. Traumatology and Musculoskeletal Disorders [01/07/2007 – 30/09/2008]

City: Basel

Country: Switzerland

Outpatient clinics, inpatient care, orthopaedic and trauma surgery, surgical emergency care

Assistant Musculoskeletal Rehabilitation

Assistant Traumatology and Musculoskeletal Disorders [01/10/2008 – 31/12/2008]

City: Basel

Country: Switzerland

Outpatient clinics, inpatient care, orthopaedic and trauma surgery, surgical emergency care

Assistant General-, Vascular- and Thoracic- Surgery

Kantonsspital Liestal, Dep. of General-, Vascular- and Thoracic- Surgery [01/01/2006 – 30/06/2007]

City: Liestal

Country: Switzerland

Outpatient clinics, inpatient care, general surgery, surgical emergency care

Swiss Tropical Institute (now Swiss TPH), Dep. of Medicine and Diagnostics, [01/03/2005 – 31/12/2005]

City: Basel

Country: Switzerland

Vaccination and travel clinics, clinical research

Research Fellow at St. Francis Designated District Hospital Ifakara, Tanzania

Swiss Tropical Institute (now Swiss TPH), Dep. of Medicine and Diagnostics, [01/12/2004 – 28/02/2005]

City: Ifakara

Country: Tanzania

Clinical research

Education and training

Higher Education Certificate Supporting Learning/Hochschuldidaktik Sammelzertifikat Plus

Universität Basel and SEDA, Staff and Educational Development Association [31/10/2019]

Venia Docendi, Assistance Professorship

University of Basel, School of Medicine [31/10/2019]

currently enrolled in MBA-IHM program

Swiss Tropical and Public Health Institute and University Basel [01/03/2019]

Fellowship Clinical Research

Study Centre German Society of Surgery and CHIRNet, University Hospital Heidelberg, Prof. Diener [01/03/2018 – 30/04/2018]

Clinical Fellowship Regenerative Surgery

CHRU Besançon, France, Prof. Obert [01/10/2015 – 31/12/2015]

Diploma of Advanced Sciences (DAS), Clinical Trial Practice and Management

University of Basel, School of Medicine [01/03/2010 – 30/03/2012]

Medical Degree

University of Bonn, Medical School [15/10/2000 – 31/05/2005]

Licence to practice

University of Bonn, Medical School, Clinical Studies [15/02/2000 – 31/12/2004]

Praktisches Jahr

Dep. Of Medicine, North Staffordshire University Hospital, Stoke on Trent, UK [01/12/2003 – 31/03/2004]

Praktisches Jahr

Dep. Of General-, Hand and Traumasurgery, Kantonsspital Winterthur [01/08/2003 – 30/11/2003]

Praktisches Jahr

Dep. Of Paediatrics, Mayo General Hospital, Castlebar, Ireland [01/04/2003 – 31/07/2003]

Physikum

University of Freiburg, Medical School, Preclinical Studies [15/10/1997 – 15/02/2000]

Additional information

Publications **Kinesiotaping for postoperative oedema – what is the evidence? A systematic review.**
[2020]
Doi: 10.1186/s13102-020-00162-3

Rationale and methods of an observational study to support the design of a nationwide surgical registry: The MIDAS Study.
[2018]
Doi: 10.4414/smw.2018.14680.

Minimally invasive anterior muscle-sparing versus transgluteal approach for hemiarthroplasty in femoral neck fractures - A prospective randomised controlled trial including 190 elderly patients.
[2018]
Doi: 10.1186/s12877-018-0898-9.

Good functional outcome in patients suffering fragility fractures of the pelvis treated with percutaneous screw stabilisation: Assessment of complications and factors influencing

failure.

[2017]

Doi: 10.1016/j.injury.2017.11.002

**Implantation of Stromal Vascular Fraction Progenitors at Bone Fracture Sites:
From a Rat Model to a
First-in-Man Study.**

Doi: 10.1002/stem.2478.

**Open stabilization and primary hip arthroplasty in geriatric patients with
acetabular fractures:
combination of minimally invasive techniques.**

doi: 10.1007/s00113-011-2064-0.
