I was involved in revealing of systematically covered adverse effects of a device used for spinal interbody fusions (Infuse Bone

Graft, Medtronic Sofamor Danek, Memphis, TN, USA) 8 years ago (<https://www.ncbi.nlm.nih.gov/pubmed/21612986>). I have never received any financial support for the work. I am a member of advisory board of the Spine (https://journals.lww.com/spinejournal/Documents/BRSv35n1_Advisory-Board.pdf). I do not work in an organization/institution where my colleagues provide consultancy advice to medical device companies. I do not participate in European societies/research foundations/strategy boards/treatment groups/focus groups, which may be funded in full or in part from unrestricted grants from medical device companies. I have nothing to declare related to attendance of congresses covered by the same medical device company, testimonials of experts in patient organizations and involvement in legal cases that were brought to court involving medical device companies.

I confirm the information declared on this form is accurate and complete to the best of my knowledge and I acknowledge that my information will be stored electronically and published on the website of the European Commission.
