No interest declared

## 9 Any other interests or facts

My research is currently funded by the following grants competitively obtained by public institutions:

- PRIN 2017 (grant 2017N8K7S2). Topic: Impact of autophagy activation on cardiac remodeling and vascular damage. Role: Principal investigator Research Unit 3
- Bando Ricerca Finalizzata 2016 (grant GR-2016-02363223). Topic: Coronary artery disease progression in patients with acute coronary syndromes and diabetes mellitus. Role: Principal investigator
- Bando AIFA 2016 Ricerca Indipendente (grant AIFA-2016-02364544). Topic: Nebivolol in patients undergoing anthracyclines. Role: Co-investigator

None of these grants, however, is directly involving medical device products.

Please note:

I will not participate in any activities representing a financial interest regarding speaker's fees/honorarium payments from medical device companies or fees related to participation at workshops/conferences

I confirm the information declared on this form is accurate and complete to the best of my knowledge and I acknowledge that my information will be stored electronically and published on the website of the European Commission.
