Current state (Northrhine Westfalian Ministry of Economics) funded project "Bonn Hub for Algorithmic Innovation in Medicine (BoHAIME)" - Establishment of an in house ISO 13485 compliant software development pipeline and QM templates and best practices to support academic startups aiming to develop medical devices.

Starting July 2023: partner in project "fit4translation" funded by the Federal Ministry of Science to develop academic best practice standards for software development for the regulated domain.

There is no way for me to know about all involvements of my employers (I work for both the University of Bonn and the Medical Center).

Past funding by various medical device vendors for scientific projects I was involved in.

I confirm the information declared on this form is accurate and complete to the best of my knowledge and I acknowledge that my information will be stored electronically and published on the website of the European Commission.
