Project realisation year: 2012

Grant awarded: 11.000,00 Euros

Contact information: gbugajska@wp.pl

Project web page: <http://www.miasta-partnerskie.eu>

Description:

The project is inscribed in the commemoration of 15 years of partnership of cities of Olkusz and Schwalbach but Taunus - miasta-partnerskie.eu. It has to be partner's anniversary for all inhabitants. Except for self-governed authorities and institutions of culture, young people of Olkusz, seniors of UTW (University of Third Century) and non-government organizations were invited to participate in realization of project of visitors from Europe meetings.

Common celebration of 15th jubilee of partnership of cities is planned as well as discussion about UE situation. The recapitulation of partners meeting will be the list of most important commonly chosen program points as to strictest cooperation for the next 3 years in foothold about programme "Europe for citizens".

European Year of Intergenerational Cooperation 2012 will be connected with European Year of Citizen 2013 also as to informal European education, which we lead for years now with benefit for local community.
