Birgitta Kervinen

Michael Trinker

Name of the organisation: **European Non-Governmental Sports Organisation (ENGSO)**

Type : umbrella organisation

Brief description of the activities: European National Sports Confederations and National Olympic Committees, if they are the national umbrella organisations for sports, form the association "European Non-Governmental Sports Organisation" (ENGSO) which is a non-profit making or distributing organisation with public responsibilities. This means that the members of ENGSO represent the national sport in its broadest sense - from children and youth sports, over "sport for all" activities to elite sports. ENGSO presently has 40 national umbrella sports organisations as members and 1 organisation as observer. ENGSO is today the only European sports organisation having been granted consultative status by the Council of Europe.
