

NETZWERK MIGRATION IN EUROPA E.V./NETWORK MIGRATION IN EUROPE

Name of the organisation: **Netzwerk Migration in Europa e.V./Network Migration in Europe**

Type: Civil Society Organisation

Brief description of the activities:

Network Migration in Europe is an interdisciplinary forum of experts in areas of history, cultural anthropology, political science, civic education sociology which aims to promote knowledge and understanding of migration and intercultural living in Europe past and present. Its goal is to increase awareness and knowledge throughout Europe of (forced) migration, minorities and human rights in an European and transnational context. Network Migration promotes dialogue, networking and exchange between (the civil) society, education, culture and science.
