EXPERTISE AND EXPERIENCE
Please provide evidence of personal expertise and professional practical experience in:

a) law and practice of matrimonial property regimes and other legal regimes relating to the property effects of marriage and other forms of union;

b) sound knowledge of private international law and comparative law. Knowledge of the tax aspects of these fields will be an added advantage;

c) professional experience, including at European and/or international level, of analysing legislation, or providing legal advisory services, or experience of settling disputes in the requisite fields of expertise mentioned above;

d) professional projects;
e) published articles or other works in areas of relevance to the group of experts.

**AREAS OF INTEREST**
Please indicate in which areas of your specialisation you wish to be active as part of the group.

**UNDERTAKING**
By signing this application you undertake to participate in the work of the group of experts on a regular basis in compliance with the call for expressions of interest and the rules and terms of reference mentioned therein.

**ANNEXES**
Please attach a detailed CV (in French or English).
