

ANNEX 1 - QUESTIONNAIRE FOR AMI APPLICATIONS

The general principle is that economic operators are free to organise themselves as they wish, i.e. they can submit a single or joint application, with or without subcontracting. When an operator (legal or natural person) submits a single application and includes CVs of persons not employed by it, these persons are always to be considered as subcontractors.

This questionnaire should only be completed if your application involves a joint application or is relying on the expertise of non- contractual staff or subcontractors.
