Evolution 2012-2013

QB2: The EU (the European Commission and Member States) has promised to increase the level of its aid to developing countries. Given the current economic situation, which of the following statements best describes your opinion?

- We should increase aid to developing countries beyond what is already promised
- We should keep our promise to increase aid to developing countries
- We should not increase aid to developing countries even though it has been promised
- We should reduce aid to developing countries as we can no longer afford it

QB3: The current world population is around 7 billion people. Could you tell me approximately how many people in the world live in extreme poverty, that is on less than $1 a day?

- Less than 500 million
- Between 500 million and 1 billion (correct estimation)
- Between more than 1 billion and 1.5 billion
- Between more than 1.5 billion and 2 billion
- Between more than 2 billion and 2.5 billion
- More than 2.5 billion
- Don't know
