NB: Figures are given in cash flows up to 2017 and in grant equivalents from 2018.

NB: For each year, this table and its aggregate and collective figures only take into account those countries which were a Member State of the EU at the time. In particular, the EU28 Aggregate and Collective include the United Kingdom because the reference period ends before the United Kingdom's withdrawal from the European Union on 1 February 2020.

NB: The sign "-" indicates that no ODA data has been reported by the respective Member State for the respective year.

NB: The EU28 Aggregate and Collective include the United Kingdom because the reference period ends before the United Kingdom's withdrawal from the European Union on 1 February 2020.

Gap between 2019 ODA/GNI Levels and Agreed Individual Targets of the 28 EU Member States (in %) and Direction of Change from 2018 to 2019 (all on a grant equivalent basis)

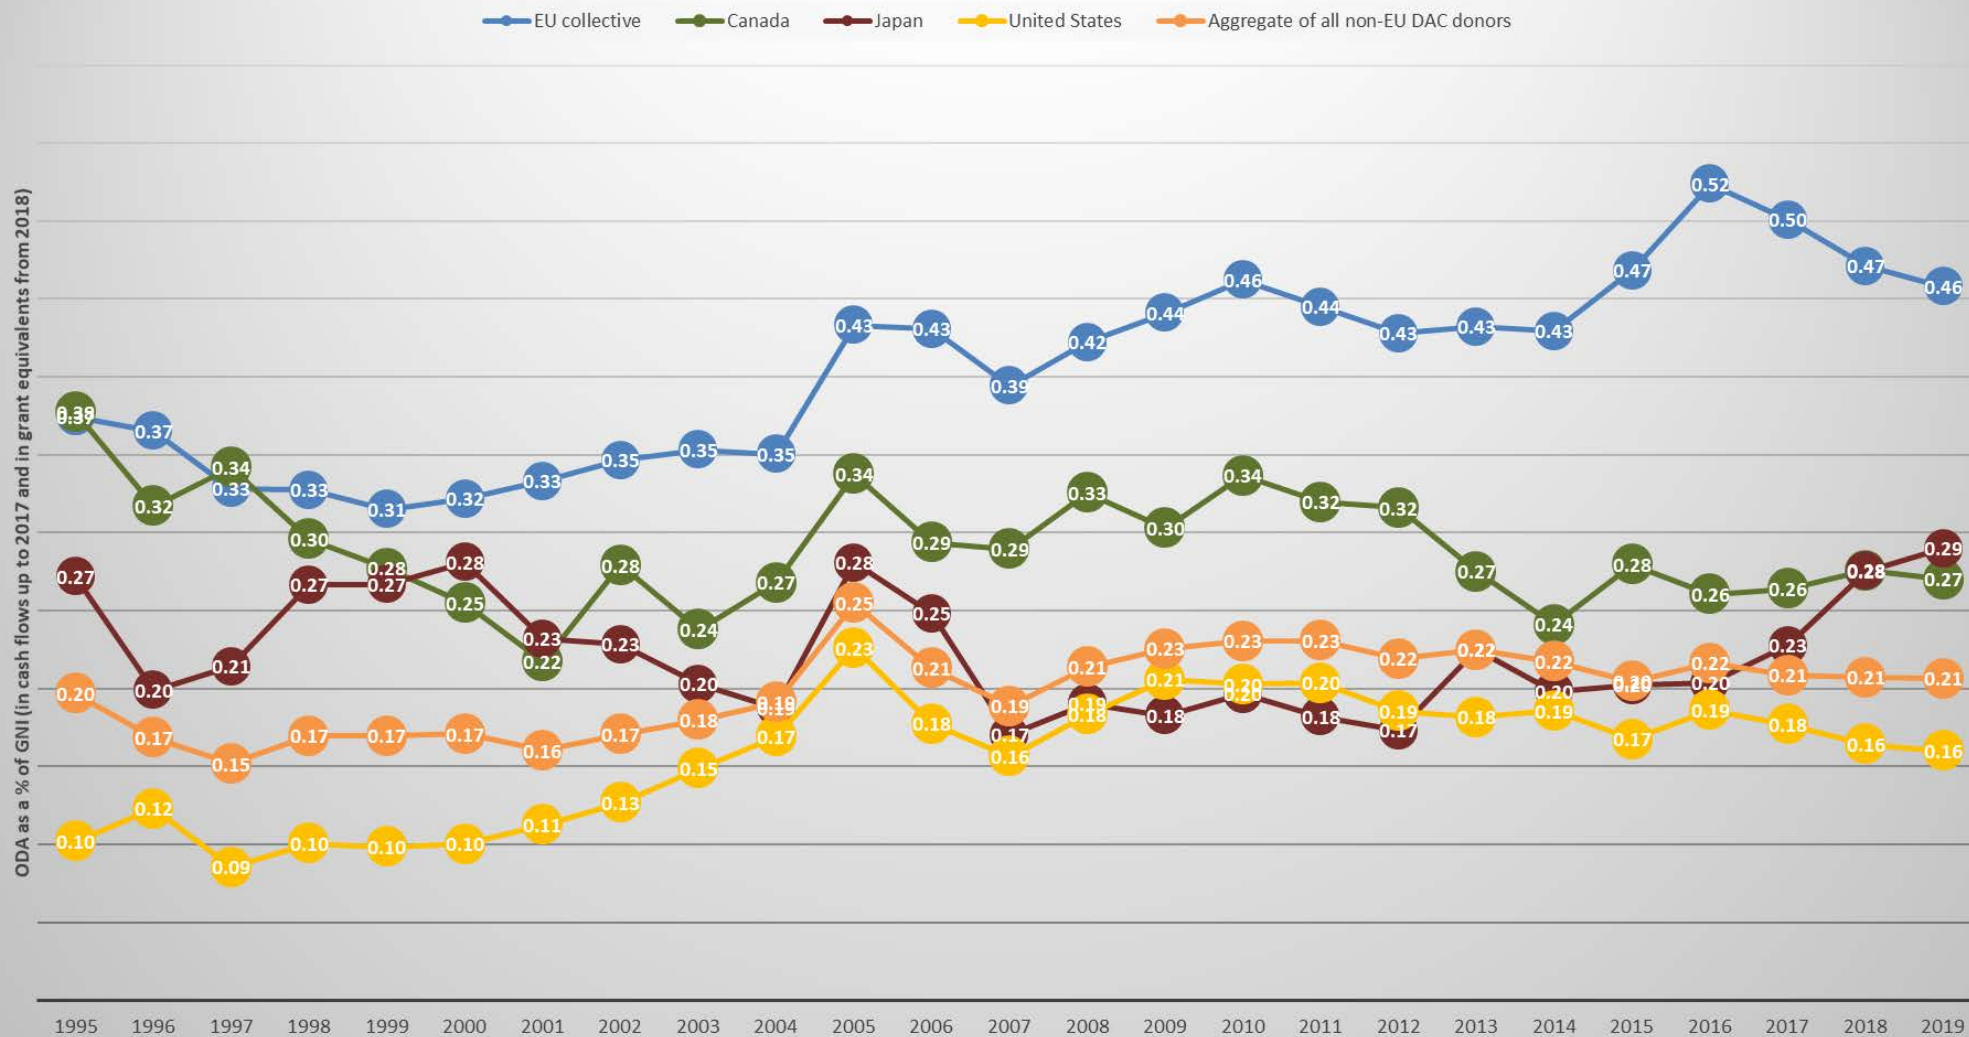

## EU Collective ODA as a % of GNI (1995-2019)

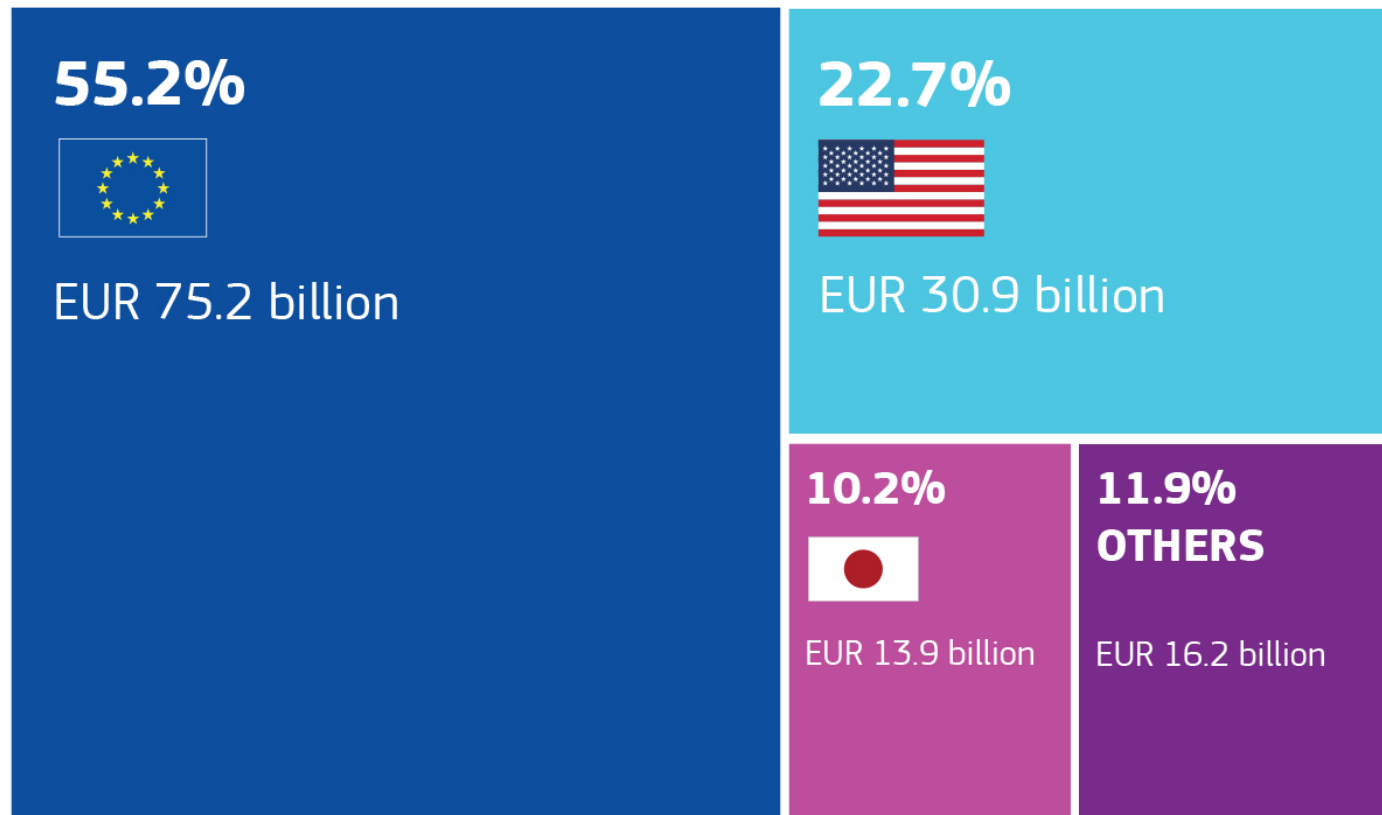

NB: For each year, the collective and aggregate figures in this graph only take into account those countries which were a Member State of the EU at the time. In particular, the EU Aggregate and Collective include the United Kingdom because the reference period ends before the United Kingdom's withdrawal from the European Union on 1 February 2020.

## ODA as a % of GNI (1995-2019) EU collective compared to non-EU DAC donors

NB: For each year, the EU Collective figures in this graph only take into account those countries which were a Member State of the EU at the time, while the aggregate of all non-EU DAC donors only takes into account those non-EU countries which were a DAC member at the time. In particular, the EU Collective includes the United Kingdom because the reference period ends before the United Kingdom's withdrawal from the European Union on 1 February 2020.

## Official Development Assistance: the EU is the world's biggest donor

NB: The EU Collective includes the United Kingdom because the reference period ends before the United Kingdom's withdrawal from the European Union on 1 February 2020.
