

FISCALIS PROGRAMME

#EUBudget #FutureofEurope #FairTaxation

June 2018

SMALL BUDGET. BIG ADDED VALUE.

The **Fiscalis programme** is vital for the work of and cooperation between national tax authorities. Fiscalis helps national tax administrations in their fight against tax fraud and evasion whilst facilitating tax compliance to ensure fair taxation. Fiscalis helps to unlock the full potential of the Single Market and fosters EU competitiveness.

€270 MILLION TO MAKE TAX ADMINISTRATIONS BETTER CONNECTED AND MORE EFFICIENT

Less than 0.05% of total envelope for 2021-2027

Here's how we will continue to build on our work to improve tax cooperation in the EU:

BETTER CONNECTED IT SYSTEMS

Developing and maintaining interoperable and cost-effective IT solutions to support tax authorities in implementing EU legislation.

- *More than 25 IT systems interconnecting European tax authorities which can help to spot problems and tackle fraud.*

MORE EFFICIENCY

Cooperation, sharing of good practices and training that boosts efficiency.

- *Since 2014, 423,000 tax professionals have been trained to ensure the consistent implementation of tax rules.*

IMPROVING COOPERATION ON THE GROUND

Better IT collaboration, joint risk management and audits across the EU.

- *€591 million in taxes assessed for possible recovery through joint EU controls in one year alone (2015).*
- *More capacity to tackle fraud through cooperation and knowledge sharing. More than 1000 joint actions organized since 2014.*

SUPPORTING THE SINGLE MARKET

Fostering Union competitiveness, boosting innovation, facilitating the implementation of new economic models.

- *Developing better tools that can deal with economic models such as e-commerce, the collaborative economy and blockchain.*
