Europe in May 2019
Preparing for a more united, stronger and more democratic Union in an increasingly uncertain world

ANNEX II
The EU’s public opinion 2014-2019
Compared to 2014, public opinion in 2019 is more positive towards the European Union. Eurobarometer surveys demonstrate broad overall support for the European project and its achievements.

EU Membership

A continuously increasing majority of Europeans think that being a member of the EU is a good thing for their country. This is the highest level in 27 years.

Generally speaking, do you think that (our country’s) membership of the EU is ... ?

Comparison with the latest pre-Brexit survey (September 2015)
If a referendum was held tomorrow regarding (OUR COUNTRY)’s membership of the EU, how would you vote? (%)

Trust in the European Union

Trust in the EU is higher than trust in national governments on average.

'I tend to trust the following institutions'

![Graph showing trust in the European Union and national government from 2014 to 2018]

How much trust you have in certain media and institutions. For each of the following media and institutions, please tell me if you tend to trust it or tend not to trust it.

The European Union (%)

Support for the euro

75% of euro area citizens are in favour of the euro, the highest level since the introduction of the euro.

Are you for or against a European Economic and Monetary Union with one single currency, the euro?
