

# Social Summit for Fair Jobs and Growth

Gothenburg, 17 November 2017

## SOCIAL SCOREBOARD FOR THE EUROPEAN PILLAR OF SOCIAL RIGHTS

### WHAT IS THE SOCIAL SCOREBOARD?

The European Pillar of Social Rights is accompanied by an online Social Scoreboard. The scoreboard tracks trends and relative performance across Member States in 12 areas, and feeds into the European Semester of economic policy coordination. In doing so, it also assesses progress towards a 'social triple A' for the EU.

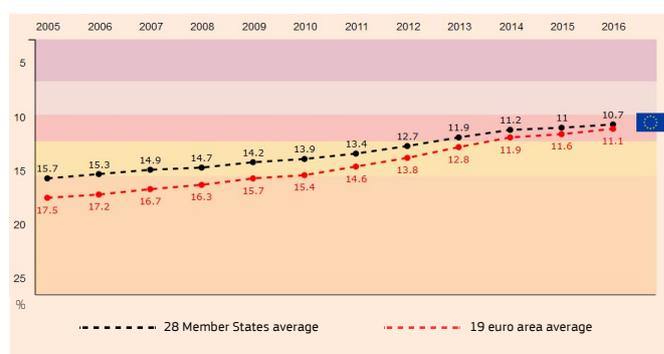

Population with at least basic digital skills in Member States (2016)

### WHAT CAN THE SOCIAL SCOREBOARD BE USED FOR?

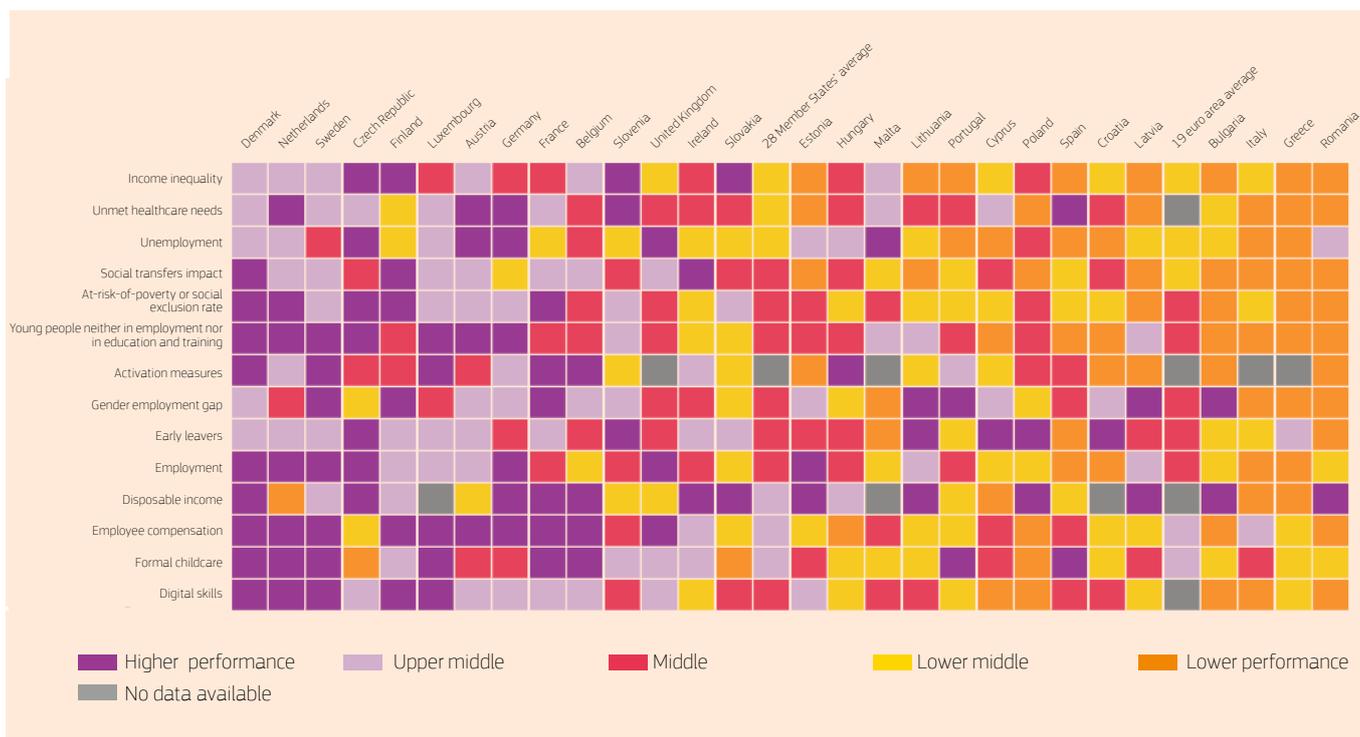

Based on real-life data, it enables you to:

- ▶ Zoom in on Member States' performance over time
- ▶ Monitor convergence and trends
- ▶ Compare the performance of the 28 Member States at a given moment in time
- ▶ Create your own graphs, tables and maps

Trend for early leavers from education and training

## THE 12 AREAS COVERED BY THE SOCIAL SCOREBOARD

The Social Scoreboard includes 93 key social, educational and employment indicators (including breakdowns by age, gender and education) grouped into 3 dimensions and 12 areas.

### Equal opportunities and access to the labour market

- ▶ Education, skills and lifelong learning
- ▶ Gender equality in the labour market
- ▶ Income inequality
- ▶ At-risk-of-poverty or social exclusion rate
- ▶ Youth

### Dynamic labour markets and fair working conditions

- ▶ Labour force structure (employment and unemployment rate)
- ▶ Labour market policies
- ▶ Income and salaries

### Public support, social protection and inclusion

- ▶ Impact of public policies on reducing poverty
- ▶ Early childhood care
- ▶ Healthcare
- ▶ Digital access and skills
