TITLE II
PAYMENTS, CAPITAL, COMPETITION, INTELLECTUAL PROPERTY AND PUBLIC PROCUREMENT

[…]

CHAPTER 2
COMPETITION, INTELLECTUAL PROPERTY AND PUBLIC PROCUREMENT

Article 30

1. The following are incompatible with the proper functioning of the Agreement, insofar as they may affect trade between the Community and the Palestinian Authority:

(i) all agreements between undertakings, decisions by associations of undertakings and concerted practices between undertakings which have as their object or effect the prevention, restriction or distortion of competition;

(ii) abuse by one or more undertakings of a dominant position in the territories of the Community or the West Bank and the Gaza Strip as a whole or in a substantial part thereof;

(iii) any public aid which distorts or threatens to distort competition by favouring certain undertakings or the production of certain goods.

2. The Parties shall, as appropriate, assess any practice contrary to this Article on the basis of the criteria resulting from the application of Community competition rules.

3. The Joint Committee shall, before 31 December 2001, adopt by decision the necessary rules for the implementation of paragraphs 1 and 2.

Until these rules are adopted, the provisions of the Agreement on Subsidies and Countervailing Measures shall be applied as the rules for the implementation of paragraph 1 (iii) and the relevant parts of paragraph 2.

4. As regards the implementation of paragraph 1 (iii), the Parties recognize that the Palestinian Authority may wish to use, during the period until 31 December 2001, public aid to undertakings as an instrument to tackle its specific development problems.

5. Each Party shall ensure transparency in the area of public aid, inter alia by reporting annually to the other Party on the total amount and the distribution of the aid given and by providing, upon request, information on aid schemes. Upon request by one Party, the other Party shall provide information on particular individual cases of public aid.

6. With regard to products referred to in Title I, Chapter 2:

- paragraph 1 (iii) does not apply,

- any practices contrary to paragraph 1 (i) shall be assessed according to the criteria established by the Community on the basis of Articles 42 and 43 of the Treaty establishing the European Community and in particular those established in Council Regulation No 26/62.
7. If the Community or the Palestinian Authority considers that a particular practice is incompatible with the terms of paragraph 1 of this Article, and:

- is not adequately dealt with under the implementing rules referred to in paragraph 3, or

- in the absence of such rules, and if such practice causes or threatens to cause serious prejudice to the interest of the other Party or material injury to its domestic industry, including its services industry,

it may take appropriate measures after consultation within the Joint Committee or after 30 working days following referral for such consultation.

With reference to practices incompatible with paragraph 1 (iii) of this Article, such appropriate measures, when the GATT is applicable to them, may only be adopted in accordance with the procedures and under the conditions laid down by GATT or by any other relevant instrument negotiated under its auspices and applicable between the Parties.

8. Notwithstanding any provisions to the contrary adopted in accordance with paragraph 3, the Parties shall exchange information taking into account the limitations imposed by the requirements of professional and business secrecy.

Article 31

The Member States and the Palestinian Authority shall progressively adjust, without prejudice to their commitments to the GATT where appropriate, any State monopolies of a commercial character, so as to ensure that, by 31 December 2001, no discrimination regarding the conditions under which goods are procured and marketed exists between nationals of the Member States and the Palestinian people of the West Bank and Gaza Strip. The Joint Committee will be informed about the measures adopted to implement this objective.
Article 32

With regard to public enterprises and enterprises to which special or exclusive rights have been granted, the Joint Committee shall ensure that by 31 December 2001 there is neither enacted nor maintained any measure distorting trade between the Community and the Palestinian Authority contrary to the Parties' interests. This provision should not obstruct the performance in law or in fact of the particular tasks assigned to those undertakings.

Article 33

1. The Parties shall grant and ensure adequate and effective protection of intellectual, industrial and commercial property rights in accordance with the highest international standards, including effective means of enforcing such rights.

2. The implementation of this Article shall be regularly reviewed by the Parties. If problems in the area of intellectual, industrial and commercial property affecting trading conditions occur, urgent consultations shall be undertaken within the framework of the Joint Committee, at the request of either Party, with a view to reaching mutually satisfactory solutions.

Article 34

1. The Parties agree on the objective of reciprocal and gradual liberalization of public procurement contracts.

2. The Joint Committee shall take the necessary measures to implement paragraph 1.
