COMP/M.5624 - NOKIA / SAP / JV

ABSCHNITT 1.2

Beschreibung des Zusammenschlusses

1. On 29 October 2009, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 by which the undertakings Nokia Corporation (“Nokia”, Finland) and SAP AG (“SAP”, Germany) acquire within the meaning of Article 3(1)(b) of the Council Regulation joint control, by way of purchase of shares, of a newly created full-function joint venture (“JV”).
2. The business activities of the undertakings concerned are as follows:
 - For Nokia: development and supply of mobile handsets, mobile and fixed telecom networks and associated services, and, increasingly, Internet-based services.
 - For SAP: development and distribution of the full range of Enterprise Applications Systems Software (“EAS”) including related services.
 - For the JV: product authentication and anti-counterfeit services to business to business customers and governmental authorities.
3. The concentration satisfies the condition laid down in paragraph 5, subparagraphs a). of the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004.¹
