COMP/M.4768 - CRH/Cementbouw

SECTION 1.2

Description of the concentration

In 2003, CRH Nederland BV obtained:

- sole control over the builders' merchant, DIY and manufacturing divisions of Cementbouw, and,
- joint control over the binding agents and ready-mix divisions of Cementbouw, together with CVC.

These transactions – which the Commission considered to be two separate concentrations – were cleared by the Commission in its decision in cases COMP/M.3259 - CRH/CVC/Cementbouw JV and COMP/M.3267 CRH/Cementbouw- of 29 September 2003.

By means of the presently envisaged concentration, CRH Nederland BV will obtain sole control over above mentioned binding agents and ready-mix divisions of Cementbouw, which have been brought together in Cementbouw BV.
