SECTION 1.2

Description of the concentration

Pursuant to Article 4 of Council Regulation (EC) No. 139/2004, M.A.C. Metallurgica Assemblaggi Carpenterie S.p.A. (“MAC”) and Wagon Automotive S.r.l. (“Wagon Automotive”) have notified to the Commission their intention to acquire joint control over WM S.r.l. (“WM”).

MAC is a fully owned subsidiary of CLN Coils Lamiere Nastri S.p.A., which is an Italian company active in (i) the development, manufacture and distribution of metal components for the automotive industry, construction equipment, industrial vehicles, trucks and buses, (ii) the processing and distribution of flat rolled steel products through its steel service centers, and (iii) the development, manufacture and distribution of wheels for cars, commercial vehicles and motorbikes. Wagon Automotive is the Italian wholly owned subsidiary of Wagon Plc, which in turn is a company incorporated under the laws of England and Wales operating in the development, manufacture and distribution of vehicle body structures, closure systems and comfort products for the automotive industry.

WM is an Italian inactive company currently solely controlled by MAC. Following the notified concentration, WM will develop, manufacture and supply roll-formed steel beams for commercial vehicles and trucks’ chassis for one single client.
