COMP/M.5765 - FOXCONN / DELL (PRODUCTS) POLAND

SECTION 1.2

Description of the concentration

The proposed transaction consists in the acquisition by PCE Paragon Solutions Kft ("PCE"), a Hungarian corporation and wholly owned subsidiary of HON HAI Precision Industry Co Ltd , a company listed on the Taiwan Stock Exchange (together, "Foxconn"), of Dell Products (Poland) Sp. z.o.o. (the "Target"), a wholly-owned subsidiary of Dell Global B.V. and Dell International holdings VIII B.V.

The Target is active in the construction, configuration and assembly of personal computers (including workstations, notebooks and desktops) and servers. The acquired company includes the Target's manufacturing facilities and operations located in Łódź, Poland. Foxconn is active in the manufacture, processing and sales of connectors, cable, enclosures, wired/wireless communication products, optics products, power supply modules, assemblies for use in the IT, communications, automotive equipment, precision molding, automobile, and consumer electronics industries. Foxconn is a provider of joint-design, joint-development, manufacturing, assembly and after-sales services to global Computer, Communication and Consumer-electronics (3C) leaders. Foxconn has operations strategically situated across the Americas, Europe and Asia.

Following closing of the Transaction, Foxconn will, inter alia, carry on the manufacturing and supplying for Dell Global B.V. certain specified PC and server products from the Target's plant.

The proposed transaction will have no material impact on competition.
