**COMP/M.5810 – INVESTOR / SAAB**

**SECTION 1.2**

**Description of the concentration**

The notified concentration consists of Investor AB's acquisition of sole control over Saab AB and its subsidiaries.

Investor AB is a Nordic-based industrial holding company listed on the Nasdaq OMX Nordic stock exchange. For EU merger control purposes, it is appropriate to assume that the Knut and Alice Wallenberg Foundation is able to exercise a decisive influence over Investor AB.

Saab AB is a high-technology company with activities focused mainly on the development, production and sale/distribution of military defense, commercial aerospace and civil security products and services. Saab AB is listed on the Nasdaq OMX Nordic stock exchange.

Saab AB has been jointly controlled by Investor AB and BAE Systems plc. The two companies has entered into a share purchase agreement through which Investor AB will acquire shares corresponding to 10.2% of the capital in Saab AB from BAE Systems plc. As a consequence of the transaction, a change in the quality of control over Saab AB occurs as Investor AB (given Investor AB's level of shareholding and given that the remaining shares of Saab AB are widely dispersed) is likely to be deemed to solely control Saab AB on a de facto basis.
