**COMP/M.6003 - RENCO GROUP / BODY SYSTEMS**

**SECTION 1.2**

**Description of the concentration**

1. The Renco Group Inc ("**Renco Group**") is a New York-based private holding company that is active in the market for the manufacture and supply of automotive components through its wholly-owned subsidiary, Inteva Products LLC ("**Inteva**").
2. Renco Group intends to acquire indirect sole control of Body Systems Holdings Netherlands BV ("**Body Systems**"), which is a global developer, manufacturer and supplier of a range of integrated sunroof and door systems for light vehicles, from ArvinMeritor, a Michigan-based manufacturer of automotive components for light service vehicles, trucks and trailers.
3. In the EEA Inteva is active in the manufacture and supply of door modules / window regulators for heavy vehicles and latches for light vehicles, whereas Body Systems is active in the manufacture and supply of door modules / window regulators for light vehicles, latches for light vehicles, window motors and sunroofs. Outside of the EEA, Inteva also supplies limited quantities of door modules / window regulators for light vehicles and latches for heavy vehicles, whereas Body System also supplies limited quantities of door modules / window regulators for heavy vehicles. Outside of the EEA, Inteva also supplies interior systems and cockpits.
4. Renco Group considers that the proposed transaction raises no competition concerns and, thus, will not significantly impede effective competition in the common market or in a substantial part of it.
