### **SECTION 1.2**

#### **Description of the concentration**

The notified transaction consists in the acquisition by Electricité de France S.A. (“**EDF**”), through its wholly-owned subsidiary EDF International (“**EDFI**”), of sole control over Zespół Elektrociepłowni Wrocławskich Kogeneracja S.A. (“**Kogeneracja**”), which is currently jointly controlled by EDF and Energie Baden-Württemberg AG (“**EnBW**”).

**EDF** is active in the energy sector across Europe, including in Poland, where it is mainly engaged in the generation and wholesale trading of electricity, as well as in the generation of heat.

**Kogeneracja** is a heat and power generation company in the Wrocław-Czechnica region, which itself owns in particular 98.4% of EC Zielona Góra S.A. (“**ECZ**”), a heat and power generation company in the region of Zielona Góra.

The effects of the notified transaction will therefore be limited to Poland.

The notified transaction follows the acquisition by EDF and EnBW of joint control over Kogeneracja, which has been authorised by the Commission on 11 March 2009<sup>1</sup>, and qualifies for treatment under the Simplified Procedure.
