COMP/M.7034 - TRITON / AE HOLDING

SECTION 1.2

Description of the concentration

On 19 September 2013, the European Commission received a notification relating to the indirect acquisition of sole control over ALPINE-ENERGIE Holding AG, the parent company of the Alpine Energie group (Alpine Energie), by the Triton group (Triton).

Alpine Energie is a provider of infrastructure system integration and maintenance services in the segments of energy generation, energy transport and energy-technical applications. Core business areas of Alpine Energie are electrical installation and maintenance services for telecommunication, energy and traffic infrastructure. Its main activities are in Austria, Germany, and Switzerland.

Triton is a group of independent European private equity funds and companies. Triton is dedicated to investing in medium-sized businesses headquartered in Northern Europe, with a focus on businesses in three core sectors: Business Services, Industrials and Consumer/Health.
