SECTION 1.2

Description of the concentration

On 11 February 2015 the Commission received a notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) N° 139/2004 in which DCC ENERGY, a division of the DCC group, will acquire sole control over the French retail motor fuel distribution business of ESSO SAF.

The business activities of the undertakings concerned are:

- DCC ENERGY: sale, marketing and distribution of oil and LPG in Europe;
- Target Business: motor fuel distribution in France.

The Transaction falls within the scope of Council Regulation (EC) N° 139/2004 on the control of concentrations between undertakings, and is a candidate case for the simplified procedure.
