## **M.7616 - DCC / DLG DANISH ENERGY BUSINESS**

### **SECTION 1.2**

#### **Description of the concentration**

On 20 May 2015, the European Commission received a notification relating to the combination of the existing Danish energy businesses of DCC Holding A/S and DLG Service A/S in the jointly controlled entity DCC Holding Denmark A/S.

DCC Holding A/S is a subsidiary of DCC Plc, an Irish company which in Europe operates across four divisions: DCC Technology, DCC Healthcare, DCC Environmental, and DCC Energy. In Denmark, DCC Plc is only active in the field of energy. DCC Holding A/S is active in the sales of fuels, including gasoline, diesel, heating oil, marine gas oil and fuel oil (HFO), primarily at the non-retail level. DCC Holding A/S is also active in the sales of bio-fuels (wood pellets), lubricants and natural gas.

DLG Service A/S is a subsidiary of DLG a.m.b.a., the ultimate parent company of the DLG Group. The DLG Group is a Danish cooperative that offers a wide range of products and services to farmers. DLG Group is owned by approximately 30,000 Danish farmers. DLG Service A/S is also active in the sales of fuels, including gasoline, diesel, heating oil and fuel oil (HFO), primarily at the non-retail level. Denmark DLG Service A/S is also active in the sales of bio-fuels (wood pellets), lubricants, coal and electricity.
