The Competition DG makes the information provided by the notifying parties in section 1.2 of Form CO available to the public in order to increase transparency. This information has been prepared by the notifying parties under their sole responsibility, and its content in no way prejudices the view the Commission may take of the planned operation. Nor can the Commission be held responsible for any incorrect or misleading information contained therein.

M. 7983 - DANISH CROWN / SPF-DANMARK

SECTION 1.2

Description of the concentration

1. Leverandørselskabet Danish Crown AmbA is a cooperative in Denmark and ultimate parent company of the Danish Crown Group, an international food undertaking with activities across the world. As a cooperative under Danish law, Leverandørselskabet Danish Crown AmbA is owned by its members, who supply raw materials (pigs, sows and cattle) to the cooperative.
2. SPF-Danmark A/S is primarily active within the trading and transportation of piglets and breeding animals in Denmark and abroad as well as transportation of finisher pigs to slaughterhouses in Denmark. SPF Denmark A/S is not active within the production of piglets, breeding animals or finisher pigs.
3. The concentration concerns a change from joint to sole control of SPF-Danmark A/S by way of purchase of shares.
4. The concentration concerns the market for trading of livestock.
