**M.8381 - MOTHERSON SUMI SYSTEMS / PKC GROUP**

**SECTION 1.2**

**Description of the concentration**

The Commission has received notification of a proposed concentration in which MSSL, through its indirectly wholly-owned subsidiary MSSL Estonia WH OÜ, intends to acquire sole control of PKC Group OYJ by way of public bid.

**Motherson Sumi Systems Limited** (“MSSL”) is engaged in the manufacturing of automotive wire harnesses, passenger car mirrors, and plastic components and modules such as cockpits, bumpers and interior trim. It also has a growing presence in a broad range of other polymer, elastomer and metal based parts and systems. MSSL is an Indian Public Limited Company and listed at BSE, Mumbai (India) and the National Stock Exchange of India.

**PKC Group OYJ** (“PKC”) is a Finnish public listed company and it is active in the wire systems business. PKC designs, manufactures and integrates tailored electrical distribution systems and related architecture components, vehicle electronics, wires and cables. In addition, PKC designs and manufactures electrical cabinets, power packs and electrical distribution systems for rolling stock manufacturers. PKC also operates an electronics business, involving the design, development and manufacture of testing solutions and power supply systems for the electronics, telecommunications and energy industry.
