M.8725 – Nufarm/Century

SECTION 1.2

Description of the concentration

1. The proposed concentration relates to the acquisition by Nufarm Europe GmbH, a wholly-owned subsidiary of Nufarm Limited, of sole control of a portfolio of crop protection products in the EEA (Century) offered by Adama Agricultural Solutions Ltd and its subsidiaries and Syngenta AG and its subsidiaries by way of purchase of assets.

2. Century is part of the commitments agreed upon between China National Chemical Corporation and China National Agrochemical Corporation and the European Commission, to approve the acquisition of Syngenta (Case M. 7962 - ChemChina/Syngenta). Century comprises a portfolio of crop protection products including herbicides, fungicides, insecticides, seed treatment products, and plant growth regulators. It includes rights to a number of crop protection product registrations for specific geographies in the EEA, pipeline registrations and intangible assets, including access to studies, field trials and intellectual property rights related to these product registrations and corresponding active ingredients necessary to maintain such registrations and to continue selling and manufacturing these products.
