M.8730 - SHV HOLDINGS / LIQUIGAS

SECTION 1.2

Description of the concentration

By the proposed concentration, SHV Energy N.V., a subsidiary of SHV which operates in LPG sector, entered into an agreement with the existing joint venture partner of SHV, Brixia Finanziaria S.r.l., to acquire full control of Liquigas. Due to the positions held by both the Parties on the relevant market, and considering that only takes place the change in the quality of control over Liquigas (from a joint control of SHV and Brixia, to a sole control of SHV), no impact, from a competitive stand point, may be detected.
